UNIQUE BELLA IS HEAVY EVEN-MONEY FAVORITE IN KENTUCKY OAKS FUTURES

Rising Star is Overwhelming Fans' Choice to Provide Hollendorfer a Fourth Kentucky Oaks Triumph

LOUISVILLE, Ky. (Sunday, Feb. 26, 2017) – Don Alberto Stable's **Unique Bella (#22)**, a rapidly rising star whose three-race winning streak includes dominant victories in a pair of important stakes races, was the overwhelming **even-money favorite** to win the **\$1 million Longines Kentucky Oaks (GI)** when three days of wagering concluded Sunday evening in Churchill Downs Racetrack's 2017 Kentucky Oaks Future Wager ("KOFW").

The grey daughter of Tapit, a dominant winner in three of her four career starts for three-time Kentucky Oaks-winning trainer **Jerry Hollendorfer**, had been installed by Churchill Downs' odds maker **Mike Battaglia** as the 8-5 favorite among 24 betting interests in his morning line odds for the Kentucky Oaks Future pool. But her odds hovered at-or-near the even-money mark throughout the three days wagering. A \$2 Future Wager on Unique Bella would return \$4.20 if she wins the Kentucky Oaks.

Should Unique Bella justify the faith of racing fans and win America's premier race for 3-year-old fillies at Churchill Downs on Friday, May 5, she would provide her Hall of Fame trainer with a fourth Kentucky Oaks victory. That would pull Hollendorfer into a tie with **Calumet Farm's Ben Jones** and **D. Wayne Lukas** for second-place in total wins in the Oaks, one victory behind all-time leader **Woody Stephens**.

Unique Bella finished second as the favorite in her career debut, but has since reeled off three consecutive victories under jockey **Mike Smith** by a combined 26 ½ lengths. Those wins include victories in the Las Virgenes (GII) and Santa Ynez (GII) at Santa Anita and her career earnings now total \$282,400.

The only other wagering interest with single-digit odds in the Feb. 24-26 Kentucky Oaks Futures pool was the **Mutuel Field (#24)**, which includes all 3-year-old fillies other than the 23 individual horses in the pool. The "All Others" wager stood at odds of 9-1 when wagering concluded at 6:30 p.m. (EST) Sunday evening, a half-hour after the end of betting in Churchill Downs' companion Kentucky Derby Future Wager Pool 3.

A total of \$100,335 was wagered in the only Kentucky Oaks Future pool of 2017, a slight decrease of 3.5 percent from 2016 betting of \$104,002. The pool's \$2 win wagering totaled \$43,998 and exacta wagering rose to \$43,998, an increase from the 2016 exacta betting of \$32,922.

The Kentucky Oaks Future Wager provides racing fans with an opportunity to wager on contenders for the Kentucky Oaks, America's premier race for 3-year-old fillies, at odds that could be more attractive than those available on the day of America's greatest race. The 143rd running of the 1 1/8-mile Longines Kentucky Oaks is scheduled at Churchill Downs on Friday, May 5. The race will be televised nationally by NBCSN.

The Kentucky Oaks Future Wager offers \$2 minimum win wagering on 24 betting interests that include 23 individual horses and the Mutuel Field, which includes all 3-year-old fillies other than the individual wagering interests in the pool. The Oaks wager also offers \$2 exacta betting on the 24 wagering interests, with the latter also available in \$1 minimum increments in boxes and other multiple number configurations.
